**2017 Vauxhall movano van conversion pony box
£18995 inc VAT**

£ 18,995

Description

we are selling this on behalf of one of our customers Built in 2018 this amazing pony box has only done 16000 miles from new it has a side ramp and a rear ramp that fits inside the rear doors this can be removed if not needed it is very well built inside and is fully insulated comes with remote roof fan and side opening windows this vehicle has had very little use and is in immaculate condition it would suit someone with two ponies or pony band trap finished in its original factory colour it is based in a business plus van so has sat nav and air conditioning and still has the remainder of its network Q warranty It is on a personal registration plate at the moment but will revert back to its original 17 plate when sold
